IN THE UNITED STATES BANKRUPTCY COURT

FOR THE DISTRICT OF IDAHO

In the Matter of:

VLADIMIR PANIOUCHKINE,
and TATYANA PANIOUCHKINE,

Debtors.

Case No. CV 99-41879

**OBJECTION TO CONFIRMATION
OF CHAPTER 13 BANKRUPTCY**

The Creditor, C & S Trucking, Inc., d/b/a Twin Falls Truck & Equipment, by and through its counsel of record, Brent H. Nielson, hereby objects to the Chapter 13 Plan which has been presented to the Court, on the basis that it fails to satisfy the standards of Section 1325(a)(4) in that there is little or no plan for the unsecured general creditors and the amount which the unsecured creditors is receiving, is less than the amount creditors would be paid if the estate of the debtor were liquidated under a Chapter 7 filing.

C & S Trucking, d/b/a Twin Falls Truck & Equipment, has calculated the amount of payments under the plan which the Debtor intends on making, and there is no money based upon those amounts to be paid to general unsecured creditors as outlined in the plan.
